The Kassam stadium cannot guarantee exclusivity of the venue. We do take every effort to prevent a sports fixture coinciding with your booked date but in the unlikely event that a match should happen to be rescheduled and coincide with your event, we will work with you to accommodate the event alongside the match and guarantee availability of the Quadrangle Suite only (not bar), we will allocate parking for the wedding guests and will require a list of the cars you need reserved spaces for. You will however need to be aware there may be increased traffic around the roads and entrance to the venue.
